RINGWOOD SECONDARY COLLEGE

Welcome to a new year of music making at Ringwood Secondary College.

Ringwood Secondary College is a Performing Arts School. We are proud of the outstanding reputation forged over many years in music participation and performance.

For new students to the College this Handbook serves as a guide to the Music Department and the opportunities it offers in classroom and instrumental music.

For continuing students, it is a reminder of important dates as well as the ongoing responsibilities to their teachers and ensembles.

Students have opportunities to:

- Perform at both State and National level in Competitions and Festivals
- Become part of the renowned School Production in August
- Participate in the weeklong State Band Tour in October

I look forward to seeing and hearing all Music Students and Ensembles at the various performances we have planned for 2023.

Ms. Janine Pero
Director of Instrumental Music

CLASSROOM MUSIC

Classroom Music gives students access to:

- Performance
- Music Technology
- Composition

Solo and small group performance opportunities, such as evening concerts called Soirees, class time, lunchtimes, and school events, junior and senior music concerts.

In addition, senior elective Classroom Music students are expected to be involved in various programs.

Junior Classroom Music

Year 7: 4 periods per cycle – *half year*

Year 8: 4 periods per cycle – *half year*

In Years 7 and 8, Classroom Music is compulsory. All students are introduced to the elements of music, the music of Australia and of other countries. Creative music plays a major part in Junior Classroom Music. Students are encouraged to perform to one another and to develop their performing skills on the keyboard, ukulele, guitar, percussion instruments as well as any other musical instrument they learn at or outside the College. Students also study Music Technology and use the program “Garage Band” along with other apps on their iPad.

Middle School Electives

Year 9 periods per cycle – *half year*

The Year 9 elective music class covers further music technology and performance, as well as introducing students to arranging, composition and music history.

Year 10: 4 periods per cycle – *half year*

Year 10 elective music develops, in detail, the areas explored in Year 9, as well as including preparing students for further class music study at VCE level. Students complete a range of composition and performance activities individually and in groups, incorporated with theory, critical listening and investigation research.

Senior Music Studies

Year 11: 8 periods per cycle – *whole year*

VCE Music Units 1 and 2 is the common starting point for students who wish to continue into any of the four Unit 3 and 4 Music Subjects. VCE Music Repertoire Performance and VCE Music Contemporary Performance are the two subjects offered internally. VCE Music units are ideal for students considering a career in the music industry, a career in an associated field or for those who have a passion for music. Students use critical and creative thinking skills to analyse the work of other musicians. Based on their analyses, students develop skills in interpreting, performing and composing pieces of music. They develop the skills to use expressive techniques to shape works and communicate ideas, characters and moods in their performances and compositions. VCE Music Units 1 and 2 is a highly accessible course. Students with diverse backgrounds can enrol. Prior experience in music is highly desirable, however, it is not a requirement for students to have prior experience in traditional instrumental music education to enrol.

Year 12: 8 periods per cycle – *whole year*

VCE Music Repertoire Performance

This study is designed for students whose musical interests are grounded in the re-creation and interpretation of notated musical works, and who wish to gain and share knowledge of musical styles and performance practices. Students may present on any instrument for which there is an established repertoire of notated works. They work towards a recital program that demonstrates highly developed technical skills and stylistic refinement as both a soloist and as an ensemble member. They develop the capacity for critical evaluations of their performances and those of others, and an ability to articulate their performance decisions with musical evidence and independence of thought.

VCE Music Contemporary Performance

This subject is designed for students who include improvisation/embellishment and collaborative practice in their music making. Additionally, this study suits students who may use recordings as their primary reference material and wish to develop a personal voice in their performances.

Students may present with any instrument or combination of instruments which will be suitable to convey understanding of the key knowledge and application of key skills for Outcome 1, with styles including (but not limited to) rock, pop, jazz, EDM, country, funk and R&B.

Students primary focus is a live performance at which they will present primarily as a soloist or in a group context. All students must present at least one work with another live performer and present at least one work that is their “re-imagining” of an existing work.

HOW DO I GET INVOLVED IN CLASSROOM MUSIC?

Simply sign up with your Year Level Co-ordinator.

For Middle School electives and VCE courses, it is strongly recommended that you consult the Director of Instrumental Music and your Classroom Music

INSTRUMENTAL & VOCAL MUSIC

Tuition is offered to students on the following instruments: Flute, Oboe, Clarinet, Alto Saxophone, Tenor Saxophone, Bassoon, Trumpet, French Horn, Trombone, Euphonium, Tuba, Violin, Viola, Cello, Double Bass, Percussion and Voice.

Piano tuition, paying the teacher direct, is available at the school.

It is an expectation that students who are taking piano lessons through this arrangement will participate in an ensemble, choir, or the main College Production.

Jazz Studies course, learning to improvise, is also offered free of charge. This course is limited to students participating in the Stage Band program.

The following large ensembles are core ensembles and compulsory for all music students: Training Band, Training Strings, Junior Concert Band, Intermediate Concert Band, Intermediate Strings, Symphonic Band and Senior Strings.

Junior Choir and Senior Choir are compulsory for voice students having lessons at school or VCE Voice students. Training Stage Band, Junior Stage Band, Intermediate Stage Band, Senior Stage Band, and Symphony Orchestra are ensembles that students can join in addition to the ensembles above. These ensembles are considered extension work.

The following chamber groups are also available to select students: Junior Brass Ensemble, Senior Brass Ensemble, Senior Flute Ensemble, Junior Flute Ensemble, Clarinet Choir, String Quartet, Saxophone Ensemble, and Jazz Combo. Chamber ensembles are also encouraged at Ringwood.

PERCUSSION

The aim of the Percussion course at Ringwood Secondary College is to produce students who are multi-skilled, musical, and generally competent in all the main percussion groups – Mallet Percussion, Snare Drum, Timpani, Kit, and a wide range of Hand Percussion. This requires serious study and regular, consistent practice.

Ringwood has established a fine tradition of producing top quality VCE Percussion students, as well as many opportunities for performance in a wide variety of ensembles in the music program. It is important to note that Drum Kit is only one element of the percussion group and will not be taught in isolation. It is a later year study taken only after satisfactory grounding has been achieved in the other basic disciplines.

Percussion students are expected to purchase a Percussion Kit, if they do not already own such instruments. This includes a Glockenspiel, Practice Pad, several different pairs of Mallets, a good pair of Wood Tip Sticks and a Stick Bag. The cost of this equipment is approximately \$550.00. Occasionally, second hand Kits and Mallets are available. In addition, students must provide a plastic pocket folder, an HB or similar pencil and an eraser, which should be brought to every lesson.

It is very important that all percussion students take responsibility for the care and protection of the school's percussion instruments. These are provided for the use of the percussionists only, and their replacement cost runs into many tens of thousands of dollars. Therefore, all players should do whatever they can to look after the equipment without which there would be no percussion program.

To neglect this responsibility may forfeit a student's position in the percussion program.

Finally, a word about the importance of practice: **All musicians practice and all music students need to practice.** It is especially important that percussionists practice since they are expected to perform on a wide variety of instruments that they rarely have the luxury of actually owning. This additional adjustment makes percussion playing in the school environment particularly awkward, so the more that the essentials are practiced at home, the better.

Please note that students are only accepted into percussion via an audition. Students must have previous percussion experience in order to apply for an audition.

HOW DO I GET INVOLVED IN THE INSTRUMENTAL MUSIC PROGRAM?

- If you are a beginner in Year 7, you will be given a music aptitude survey during the first week of Year 7. If you miss this day it will be rescheduled for Week 2 Term 1. Then you will need to attend the Music Recruitment Evening on **Monday 27 February. It is only at this occasion that you will be able to secure a position in the Instrumental Program.**
- If you are beyond the beginner stage and/or in Year 8 - 12, you simply need to apply in writing to the Director of Instrumental Music and you will be placed appropriately.
- If you would like to be part of the Junior or Senior Choir, you will need to apply in writing to the Director of Instrumental Music. All Year 7s are encouraged to sign up for choir in the first week of Term 1.
- If you want to learn Piano, please apply in writing to the Director of instrumental Music.

MOST IMPORTANT THINGS YOU NEED TO KNOW

1. Students will receive an instrumental/vocal lesson time, rotating through the periods on the same day that their instrumental teacher is available each week.
2. Students will require the following equipment at the start of each year:
Instrument, Music Stand, HB Pencil & Eraser, Tutor books, Metronome, Spare Reeds/Strings/Valve Oil/Cleaning Cloth
3. If students are receiving an instrumental/vocal lesson at the school, they are required to be a member of a major School Ensemble, e.g. a Concert Band, Choir, or String Group.
4. Singing lessons are first offered to Years 9-12 students doing elective music and by audition only. **Students who are having singing lessons must belong to the Junior/Senior Choir.**
5. Students learning **Piano only** must be part of either Junior or Senior Choir.
6. Students must be punctual.
7. Students must **attend all** lessons, rehearsals, tutorials and sectionals with the required equipment. A student's position in the program will be reviewed when more than two unexplained absences from either lesson and/or ensemble rehearsals occurs.
8. All absences must be explained in email from parents before or immediately after any lesson, rehearsal or performance to the conductor/teacher. Notification of absences from major events such as Victorian Schools Music Festival or South Street must be put in writing to the Music Director or Rae Sedergreen, Music Secretary, **at least one month prior** to the specific event. (rsedergreen@ringwoodsc.vic.edu.au)
9. Students need to wear the required performance uniform.
10. Students need to check COMPASS prior to their music lesson for what they need to prepare.
11. Students must practice their instrument regularly, fulfilling their weekly requirements for lessons and rehearsals.
12. During the day, larger instruments should be stored in the Performing Art Centre Store Room. Smaller instruments must be placed in the student's locker. **Students MUST NOT leave their instruments at school overnight or over the weekend. No responsibility will be taken by the College for instruments that are left in the storeroom overnight.**
13. All instrument cases are to be *clearly labelled* with the student's name.
14. ***Students must check COMPASS for lesson times, read the "Daily Dispatch" student bulletin in the COMPASS Newsfeed, listen to all announcements, check the Performing Arts Centre notice boards, and read emails regularly.***
15. **Students are expected to support all Music Department events and activities.**
16. **It is the student's responsibility to make up any work missed in other subjects because of music events.**
17. Students who choose to learn from an external teacher will not be offered tuition within the school. Their teacher will need to be completely responsible for all of the student's instrumental needs, including VCE.
18. The Director of Instrumental Music will review a student's participation in the music program if there are concerns about attendance, home practice and general attitude.
19. The Musical Director/conductor reserves the right to exclude a student from a performance if they have missed a final rehearsal and/or sound check.

GENERAL INFORMATION

MUSIC LEVY

All students who participate in a Performance Ensemble at Ringwood Secondary College are subject to a levy which is payable via Compass by **10 February 2023**. Instrumental lessons and ensemble rehearsals can only commence upon payment of fees.

Fees for 2023 are as follows:

- \$550.00 for participation in the Instrumental program
- \$445.00 for second and subsequent children
- \$210.00 for Choir only

PLEASE NOTE: This fee is non-refundable.

The Levy helps the College to purchase new instruments, music, and equipment for all instrumental and vocal performing ensembles.

MUSIC PROGRAM COMMITMENT

For all instrumentalists in 2023, **a yearlong commitment** to the program is required.

- Players are required to attend lessons as scheduled by their teacher.
- Players are required to attend weekly rehearsals of the ensembles to which they belong.
- Players are required to attend the performances listed in the Performance Calendar and in the ensemble contracts that are appropriate to their ensemble throughout the year.
- Players are required to practice regularly at home.

These are the minimum requirements for students who choose to be part of the Ringwood Music Program.

ACCOMPANISTS

Whenever your child performs a solo either at a college event, a Soiree or for an AMEB Exam, **they will need to be accompanied on the Piano**. Parents are strongly advised to hire a Professional Accompanist well before the performance date. Listed below are the names of respected Accompanists who you can contact.

Please check with your Instrumental teacher before contacting an accompanist. A fee will apply.

For Exams and School Performances your teacher or the department will organize an Accompanist.

PLEASE NOTE: VCE students **must** consult with Ms. Pero, or Mr. Sorensen regarding Accompanists at this level.

Accompanists:

Alex Boemo - 0408 333 295
Lydia Saroto - 0403 162 170

EXAMS

Through the school, students are encouraged to submit for an AMEB practical/ABRSM and Theory Exam after consultation with their teacher. Students are to collect the relevant submission form from their instrumental teacher in Term 1 and must pass a series of technical exercises set out by the teachers prior to completing the application to enter for the Music Exam.

AWARDS

“Award of Honour”

At the end of each year the Award of Honour is presented to a senior student who has fulfilled the following criteria:

- ❖ Shows excellence in performance.
- ❖ Has demonstrated leadership in the Music Program.
- ❖ Is an exemplary role model for all students in the College.
- ❖ Is an outstanding Ambassador for the Music Program.

“Award of Excellence”

- ❖ These are presented at the Gala Concert at the end of each year. They are awarded for excellence in performance, given in the following areas: Piano, Vocal, Percussion, Woodwind, Brass and Strings.

“Conductor’s Award”

- ❖ Each Conductor presents these at the Gala Concert in Semester 2. They are awarded for excellence in cooperation, enthusiasm, and high levels of attendance, punctuality, and musicianship.

BAND TOUR

Ringwood Secondary College has held annual Band Tours to regional Victoria for over 30 years. The aims of the tour are:

- **To provide training for the Junior/Intermediate section of the College’s Music Program in staging and performance.**
- **To provide a high-quality show which encourages and educates audiences in the value of music as a learning experience.**
- **To provide the experience for Primary and Secondary students to view, hear and enjoy a wide range of Musical Instruments and Styles**
- **To provide an impetus for music programs which are being established in country primary and secondary schools.**

All necessary equipment, 11 staff and 120 students are transported in 2 large buses, a minibus, a car and two 3 tonne trucks.

The Concert that the students present is a successful formula of concert band music, string music, singing, demonstrations of instruments, dancing and audience participation. The idea is to present the fun and excitement of making music to other schools and to give

the Ringwood students touring performance experience. At the end of the week (back at school) students perform their "Band Tour Concert" for parents and friends.

Students are selected to go on tour in the middle of Term 3 after an audition (details are available from the Director of Music). All students in years 7 to 10 are eligible to apply for the Touring Band. Positions will be awarded based on merit and according to balanced band instrumentation. The touring choir, training band and string group members are chosen according to balanced band instrumentation, their ability and commitment they have shown throughout the year. The tour is a worthwhile experience for all young performers and costs approx. \$460 - \$530 per student.

CHAMBER MUSIC GROUPS

Students have the opportunity to belong to a Chamber Music Group. These include Flute, Brass, Clarinet, Saxophone, String and Percussion Ensembles. As the groups are formed, rehearsal times and places will be negotiated. Jazz Combo is available to those students in the Stage Band program and students need to negotiate joining this specialist group with the instrumental Music Director and Mr. Clarkson.

The following small ensembles are available this year:

Brass Ensembles	
Junior Flute Ensemble	Senior Flute Ensemble
Clarinet Choir	Saxophone Ensemble
String Quartet	Jazz Combo
Double Bass Ensemble	

HIRE OF INSTRUMENTS

It is possible to hire instruments through the school from outside companies such as 'Musicorp' and Fine Music. Price lists will be available at the recruitment night.

Ringwood Secondary College owns a limited number of instruments, which are available for hire. In 2023, the two rates of hire are \$240.00 per year for instruments such as trombones, and \$280.00 per year for school instruments such as double basses, tubas, euphoniums, and French horns.

Once satisfactory progress has been made on an instrument, it is normally expected that students will purchase their own instrument so that other beginners may take advantage of the College's instruments.

INSTRUMENT REPAIRS

In the event of an instrument being damaged please do not take steps for repair until you have shown the instrument to your instrumental music teacher. Our staff can usually fix most minor damage free of charge. If the instrument requires further attention our staff will recommend a suitable repairer. Cost will be incurred by the student for the repair of the instrument if it is being hired either from the College, Musicorp or Fine Music. **Please note Musicorp and Fine Music do not cover insurance for loss of instruments.**

Please note that the College does not take responsibility for instruments owned by students. Make sure you have appropriate insurance to cover repairs, theft and/or loss, especially when on excursions or tours. Household contents insurance will not cover your instrument whilst at school or in the wider community.

Please check your home insurance policy re insuring for theft and loss, within the home.

LEARNING A SECOND INSTRUMENT

Students who would like to learn a second instrument from the College will only be considered if their first instrument is at **Grade 4, AMEB standard**. Please apply in writing to the Director of Instrumental Music.

LOAN OF COLLEGE EQUIPMENT

College music equipment is available to music students for casual hire. Equipment will be lent out upon written application to the Director of Instrumental Music. If approved, all loans must be recorded by PAC Secretary Mrs. Rae Sedergreen. **Please note any damage or loss of equipment whilst on loan must be covered by the lendee.**

INSTRUMENTAL MUSIC PHONE POLICY

Please note that mobile phones are not required equipment for lessons and rehearsals therefore, we are following the School's mobile phone policy.

The following will happen if a student is found with a mobile phone during instrumental music lessons or rehearsals:

During lessons, mobile phones will be confiscated, sent to Administration Office and chronicled.

Before school and lunchtime rehearsals: phones will be confiscated and sent to the Administration Office. The teacher or conductor will chronicle incident.

Phones need to be placed in lockers straight after morning rehearsal.

After school rehearsals: the phone will be confiscated, given back at the end of rehearsal. Again, The teacher or conductor will chronicle incident.

Please note: Phones may be used between 3.05- 3.15 so students can be contacted if there is an emergency, but definitely need to be put away before entering rehearsal at 3.20pm.

Lessons and rehearsals are scheduled classes, therefore we will be supporting the School Mobile Policy.

MUSIC ASSOCIATION

The Music Association is a parent support group that organises fundraising events on behalf of the Music Program at Ringwood Secondary College. Annually, they raise more than \$8,000.00 to purchase instruments and music for the various performing groups in the College. The Music Association also provides assistance at the various concerts held by the department throughout the year. Music Association Committee meetings are held once a month in the College Conference Room. Regular reports appear in the College newsletter and interested parents are most welcome to join the Association. Please contact the Director of Music or the President of the Music Association, Mrs. Fiona Turner (0467 257 726) for further information.

RETURN OF REPLY SLIPS & LETTERS

Correspondence will be via emails and COMPASS. Any excursion money **should be paid** online on COMPASS. All **communication from the Music Department will be sent via emails so please make sure you provide an up to date email address and you regularly check your emails and COMPASS.**

MUSIC FOLDERS

Folders of original band music will be handed out in band rehearsals only. Students will be encouraged to make their own photocopy of a particular part for practice at home. All folders and contents will remain the property of Ringwood Secondary College and penalties will be imposed if original music is lost or if students damage folders.

MUSIC AREAS

Classroom Music operates from classrooms behind the Hall. All instrumental music is located in the Performing Arts Centre at the tennis court end of the College Hall. The Cave is an Instrumental teaching area between the School Hall and Gym.

Students are only permitted into music areas when accompanied by a music staff member. ***Woodwind/brass instruments are to be stored in the Performing Arts Centre Storeroom. String instruments are to be stored in the Cave Storeroom.***

PERFORMANCE OPPORTUNITIES

Throughout the year students have many opportunities to perform in competitions and venues outside the College. These include Eisteddfods, the Victorian School Bands/Strings Festival at Hawthorn Arts Centre and Deakin Edge and South Street Competitions at Ballarat.

Not only do these events give our students the chance to perform but also the opportunity for them to learn from other conductors and be inspired by the music of other professional/student groups. All four Stage Bands and the Senior Choir attend Generations in Jazz competition, held annually in May in Mt Gambier, South Australia. This event is the largest of its kind in the Southern Hemisphere and attracts bands from all over the nation as well as internationally. Cost is approximately \$660.00.

REHEARSAL DAYS

Special rehearsal days will generally be held at the College on non-school days. Activities will include guest conductors, workshops, small Instrument tutorials by specialist teachers and full ensemble rehearsing. These events may also include some social activities. **It is expected that students make themselves available for these important rehearsals.**

REHEARSAL ETIQUETTE

- ❖ Set up, warm up, tune up, silence.
- ❖ Adopt correct playing and singing posture.
- ❖ Give the conductor your full attention.
- ❖ Assemble your instrument outside rehearsal room. Leave your case and bag there as well. **Remember - do not leave valuables in your bag!**
- ❖ NEVER touch anyone else's instrument, music or equipment unless instructed to do so by the conductor or teacher.
- ❖ Look after your music. **Originals do not leave the folder.**
- ❖ Don't forget to come to all rehearsals with a 2B pencil to mark onto the music any instructions the conductor may make.
- ❖ Keep track of your instrument and music at all times. Don't expect someone else to be responsible for these items.
- ❖ Always make sure you can see the conductor out of the corner of your eye above the stand and music.
- ❖ HAVE FUN AND ENJOY!

POSITIONS OF RESPONSIBILITY

MUSIC PREFECTS

The Music Prefects are elected Year 12 Prefects who are expected to:

- ❖ Be ambassadors for the music program in and outside the College.
- ❖ Be seen as the leading voice of the music student's opinions and liaise between the music students and music staff.
- ❖ Lead the Year level Music and Band Ensemble Representatives
- ❖ Assist the music staff at Music Department events.
- ❖ Submit a Music Captains' report for the annual magazine and assist in coordination of further articles.
- ❖ Host the Gala, Junior and Senior Concerts.

ENSEMBLE REPRESENTATIVES & YEAR LEVEL MUSIC CAPTAINS

In conjunction with the Music Prefects, Ensemble Representatives are expected to assist by:

- ❖ Encouraging student participation in fundraising activities.
- ❖ Be available to assist the Music Prefects with organization of concerts and school functions.
- ❖ Provide communication between music students, Music Prefects and Music Staff.
- ❖ Assist with the organization of groups at Music Department events as required.
- ❖ Be seen to encourage music within the College.
- ❖ Attend regular meetings called by the Music Prefects and/or Music Staff.
- ❖ Assist Conductor in organizing sectionals and music.
- ❖ Follow-up absent students.
- ❖ Assist with the organization of performances.
- ❖ Organize the movement of equipment.
- ❖ Photocopy and stamp music.
- ❖ Organise social functions.
- ❖ Liaise with Music Representative Council on behalf of the conductor.
- ❖ Discipline latecomers to rehearsals.
- ❖ Submit ensemble report for annual School Magazine
- ❖ Two students will be elected (by student vote) to each Performing Ensemble within the College during February of each year.

SELECTION CRITERIA FOR VOCAL/INSTRUMENTAL ENSEMBLES

The allocation of students to performing groups will be made according to the instrumental auditions, which students complete at the beginning of Term 4 (details are available from the Director of Music). Students who were ill at the time of these assessments will be auditioned early Term 4. Symphonic Band minimum performance level is Grade 5 AMEB and for the Senior Strings is Grade 4 AMEB.

The placement of students in sections will be determined by playing ability and audition. Section Leaders will be awarded at the discretion of the Conductor. They will be expected to take on a leadership role, completing various duties and run sectionals to assist the Conductor.
