Instructions

In the table below, list the **six subjects** you wish to complete in 2024 and **one reserve subjects**. These reserve subjects would only be if one of your top six selections isn't available.

The first subject you select must be from the English group. Please highlight or circle the English subject you will study. If you wish to undertake more than one English study, you must still highlight one as Option 1, then list any other English group subject you wish to study as Option(s) 2-6.

It is **VERY IMPORTANT** that you list your subjects **IN ORDER OF PREFERENCE**. Preference 1 must be an English option so after this, ensure you place the subject you want most as Option 2, etc.

If you are completing one or more Unit 1 & 2 subjects in 2023, these must be listed as Options 2 and 3 and stated as (Units 3 & 4). If you are choosing a VET study or a subject offered by Virtual School Victoria (VSV) or Victorian School of Language (VSL), please specify the name of the course or subject. E.g. VET Allied Health or VET Building and Construction.

If you have been successful in gaining a place in the VCE-VM for 2024, please enter VCE-VM into every priority preference Option (1-6).
